### **Building Challenge Rules**

- The theme is **Sports and Recreation**. How you interpret that is completely up to you! Be creative!
- Use only genuine LEGO brand building bricks, elements, and pieces in your creation. Non-LEGO sturdy base or board, backdrop, title sheet, or other supporting elements are permitted. But generally, anything that could be built using LEGO bricks should be built using LEGO bricks.
- Creation must be no larger than a large LEGO 48x48 baseplate (40cm x 40cm, or 15" x 15") and be no taller than 24" (60cm).
- Creation should be sturdy, easily transported to and from your home, requiring minimal setup at Tillicum Centre. It is possible that event staff will have to slightly shift or relocate your model after you have set it up, so plan for that.
- Creation must be built by the entrant alone – no substantial help from older siblings, parents, etc.
- Creation must be original – it should not be built from existing LEGO building instructions, or be essentially identical (in whole or in part) to an existing or previously available LEGO set.
- Entries are limited to one per person.
- While best efforts will be made to protect contest entries, the Challenge Sponsors are not responsible for lost, stolen, or damaged creations or LEGO elements. Leave your most treasured minifigures at home.
- You must be able to bring your finished creation to Tillicum Centre (Community Booth - lower level) on **Friday, March 23<sup>rd</sup>, 2018**, between **2:00 pm** and **5:30 pm**.
- You must be able to pick up your creation from Tillicum Centre on **Sunday, March 25<sup>th</sup>, 2018**, at **3:00 pm**.

## Challenge Details

There is no fee to enter the LEGO Building Challenge.

Your creation should somehow tie into the theme **Sports and Recreation**. Special judges will evaluate all entries based on the following criteria:

- 30% - *Building Skill* – Building skill demonstrated (based on entrant's age)
- 20% - *Interpretation of the Theme* – How well does it fit the building theme?
- 20% - *Presentation* – Overall look of model, back story, name and description, and how it's presented (layout, diorama, tidiness and finish)
- 20% - *Creativity and Originality* – Within the theme, is it different and/or unique?
- 10% - *Creative use of LEGO elements* – Were LEGO elements used in unusual or creative ways?

Entrants will be categorized into two groups, by age. "Junior Builders" include ages 5 – 8. "Senior Builders" include ages 9 – 14. Within each category, judging will take the different ages of entrants into account, and will "expect more" from older entrants.
